CM-880

KEEPING TIME FLEXIBLE

NEEDTEK

The new Needtek series has arrived with updated technology, it features a simple fully automatic operation using bar-coded time cards which **eliminates overprinting** by recognizing the employee's card number, two colour printing black/red detecting late arrivals or early departures and external signal output option as standard. The CM-880 has been designed for today's workforce suiting any business with full time, part time and casual staff.

Main Features:

- Maximum usage: Up to 100 employees.
- Bar-coded time cards numbered (001-100). Time card numbers will vary from pay period to pay period.
- Automatic delivery of time card within slot.
- Speedy printing for IN/OUT punches reducing waiting time of next employee.
- Print format available in AM/PM or 24 Hours.
- Automatic Daylight Saving time adjustment.
- Regular minutes available in (1/60) or (1/100)
- Selectable 2 pay periods: Weekly or Fortnightly
- Convenient for table tops or easy wall mounting, fits in any narrow space.
- Accurate perpetual calendar, automatic adjustment at the end of month and leap year.
- Built in lithium back-up battery protects the clock, calendar and program data for 3 years.
- Can connect to a 240V bell or siren.
